Four Monitor Mount | Height Adjustable | For Up to 32" Monitors

Boost productivity and customize your workspace with this quad-monitor stand, suspending four monitors above your desk. Enjoy optimum viewing with four articulating monitor arms, providing a wide range of motion. The free-standing base gives you flexibility in placing your setup within your workspace.

Designed for Productivity

Constructed of aluminum and steel, the heavy-duty four-monitor stand lets you set up your workspace for optimum productivity. The monitor stand supports four VESA mount (75x75, 100x100) monitors up to 32" each, with a maximum weight capacity of up to 17.6 lb./8 kg per display.

Create a More Ergonomic Workspace

Create a multi-monitor workstation that works best for you. Take advantage of four-screen efficiency for financial analysis, web coding, video editing or many other applications. Customize your setup by adjusting your display height, position and viewing angles for an ergonomic workspace. The swiveling arms provide maximum viewing flexibility.

Height-Adjustable Monitor Mount

Place your monitors at the ideal height. Simply adjust the display height along the 35.6 in (904 mm) pole. Align your monitors with the micro-adjustment feature.

Enjoy Optimum Viewing

The four-screen monitor stand lets you extend the articulating arms up to 16.6" (42.2 cm) to position your monitors in the ideal position. Tilt your monitors +90/-40 degrees and swivel +/-90 degrees. Rotate your displays 360 degrees for portrait or landscape viewing.
