

GEMBIRD Gaming ATX case Fornax M200 mesh without fans black

Model: CCC-FC-M200

Manufacturer: GEMBIRD

EAN: 8716309131803

Product Code: 1416813

R1,307

The Gembird Fornax M200 tower chassis is designed to accommodate the computing needs of gamers and enthusiasts. Built in an ATX form factor, this case supports a maximum video card length of 320 mm, ensuring compatibility with powerful graphics components. The windowed side panel fashioned from glass offers visibility to the internal components, allowing users to showcase their builds. With efficient use of space, the case includes multiple expansion bays to cater to various storage needs, featuring a total of 2 bays for 2.5" drives and 3 for 3.5" drives, providing flexibility and scalability for upgrades. It is compliant with ISO 9002, RoHS, and WEEE standards, reflecting a commitment to quality and environmental responsibility.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
