ASUS Vivobook 3-in-1 Bag

ASUS Vivobook 3-in-1 Bag is a versatile solution that is suited for daily commute as well as leisure time. The bag offers interchangeable components that are compatible between different series, which is sustainable in a way that extends its lifespan and reduces waste in production.

Multiple mode

The ASUS Vivobook 3-in-1 Bag aims to provide features for creating more flexible usage scenarios. It can be used as a tote bag, handbag or backpack, depending on the needs of the user.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Water-repellent and stylish

The shape is more personalized than the general cover which fits a 16-inch laptop. The entire body is made of water-repellent PU-coated fabric and synth canvas fabric.

Vivo spirit with nylon and artificial leather

The ASUS Vivobook 3-in-1 Bag is made of nylon and artificial leather, providing a hierarchy of glossy and matte texture with a smooth surface that’s waterproof and stainproof. A decoration with reflective Vivo spirit artwork adds a touch of personality.
