TEFAL Electric Grill GC 772D30 OptiGrill is a powerful and versatile kitchen appliance designed for effortless grilling. With 2100W of power, it ensures fast and even cooking, delivering delicious results every time. The grill features 9 automatic cooking programs, allowing you to prepare a variety of meals with ease. Equipped with a non-stick coating and removable plates, cleaning is simple and hassle-free. The removable drip tray efficiently collects excess fat, making your meals healthier. Its hinged lid adjusts to different food thicknesses, ensuring optimal grilling. The user-friendly button controls and indication light make operation straightforward, while the dishwasher-proof parts add convenience. With its rectangular form factor and sleek black design, the OptiGrill blends seamlessly into any modern kitchen.
