From long-haul flights to last-minute road trips, the Targus® 15-16” Travel Backpack delivers big without slowing you down. Its spacious 40L main compartment makes packing a breeze – thanks to its clamshell opening and interior mesh pocket. It even includes a detachable hanging mesh accessory pouch to keep toiletries, tech gear, and tiny essentials exactly where you want them. A dedicated 15-16" laptop compartment safeguards your device, while lockable zippers, a side water bottle pocket, and quick-access top and front pockets ensure your must-haves are always secure and within reach.

Every detail of this backpack is designed for comfort and versatility. Cushioned shoulder straps with a hidden card pocket, a padded ventilated back panel, and an adjustable sternum strap provide balanced support for long travel days. The luggage trolley strap and top and side carry handles

make it easy to grab and go. Wrapped in lightweight, water-resistant fabric, this backpack combines durability, style, and functionality – and is ready to move at your speed.

Easy organisation

Unzip the clamshell main compartment to reveal smart storage: a zippered mesh pocket for the must-find-fast stuff and a removable hanging pouch that corrals toiletries and tiny travel treasures.

Protection & security

Keep your gear safe from takeoff to touchdown. The padded laptop compartment securely cushions your 15.6" device, while lockable zipper pullers on both the main compartment and workstation help deter theft and keep curious hands out. Smart, simple, and built for peace of mind on every adventure.

Carry-on friendly

Sized just right (13 in x 7in x 21in) to fly through TSA and slide into overhead bins without a battle.

Made to travel

A great travel bag should protect your gear and keep you comfortable – and this one does with ease. Built from lightweight, water-resistant fabric, the backpack shrugs off unexpected weather, daily commutes, and constant use without ever weighing you down. Add in contoured padded shoulder straps, an adjustable sternum strap for heavier hauls, and a trolley strap for rolling luggage, and you’ve got comfort and convenience that keeps up all day long.
