Carry your tech anywhere with the 15-16" Work+™ EcoSmart® Backpack - a modular, 2-in-1 pack that seamlessly adapts to your every whim.

Easily store, organize, and haul your devices and small accessories - in or out of the bag - thanks to the detachable tech organiser. Complete with a secure magnetic clasp, your laptop and tablet are secure for the long haul, yet ready in a pinch.

Ultimately adaptable, it even sports our Multi-Flex™ Strap, an adjustable safety and security strap that converts from a sternum strap to a trolley strap, to a security or utility strap, depending on your needs.

With flexible space management, the capacity in the rear and front compartments is interchangeable. It also sports lockable compartments and a hidden side pocket for those must-have items. And, it even has an expandable side pocket - perfect for your water bottle or trusty tripod;

plus, a soft-lined top access pocket for a touch of luxury to your daily grind.

But it’s not just versatile; it's planet-friendly too. Crafted with recycled materials, including the equivalent of seven water bottles, it's a small step for you, a big win for the Earth.

Detachable Tech Organizer

Perfect for the on-the-go lifestyle, the detachable organiser ensures all your essentials are neatly stored, accessible, and secure. With dedicated spots for your laptop, chargers, cables, even a Bluetooth tracker, everything stays in its place, ready for action. Its strong magnetic clasp keeps it securely fastened and allows for easy one-handed detachment. Simply unclip and carry the organiser when you're heading to a meeting or working remotely or seamlessly stow away to take the backpack from work to play.

Versatile Multi-Use Strap

Transform your travel experience with our Multi-Flex™ Strap magnetic strap that effortlessly adapts to your needs. Use it as a sternum strap for backpack stability, a trolley belt for easy luggage attachment, a security strap to deter theft, or a utility strap to secure bulky items in expandable side pockets. Perfect for both adventurers and commuters, this strap offers convenience and peace of mind no matter where your journey leads.

Security Unmatched

Travel with confidence, knowing your stuff is protected. Lockable zippers and anti-theft webbing act as your first line of defense, keeping your essentials protected from prying hands. Plus, there’s a hidden side pocket for stashing important items like your wallet or passport - out of sight but easy to grab.

The Bottle Reborn

This bag was designed with the environment in mind. By using GRS-certified recycled materials, 7 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerized into plastic chips, and heated and spun into yarn stitched and sewn into the interior fabric of this EcoSmart® bag.
