R871

Enjoy perfectly boiled eggs every time with our Salter Retro Cream Egg Cooker. With a stylish vintage cream design, it's ideal for any kitchen. Boil up to 7 eggs at once—soft, medium, or hard—using the included measuring cup with built-in piercer for precision. Indicator lights show when the cooker is on and ready, while the removable egg rack makes cleaning effortless. At 450 W, it's energy-efficient and easy to store. A must-have for quick, healthy breakfasts. Capacity (eggs): 7 | Power (W): 450 | Boiling levels: soft / medium / hard | Safety features: Indicator lights | Egg piercer: Yes | Color: Cream
