Product Code: 1420249

R2,879

NEEWER PS050E 3450 mAh 14.54V 50 Wh battery

The NEEWER PS050E is a compact V-Mount battery with a capacity of 3450 mAh (50 Wh) and a voltage of 14.54 V, providing a stable power supply for professional photo and video equipment. With compact dimensions of 111 × 73 × 39 mm and a weight of just 360 g, it is approximately 30% smaller than standard batteries of this type, making it easier to transport and use in the field. It is a convenient solution for mobile setups that does not add excessive weight to your gear.

Versatile ports and broad compatibility

The battery is equipped with USB-C, USB-A, DC 8V, and DC 12V ports, as well as BP and D-Tap connectors, allowing you to power various devices simultaneously. A total output power of up to 100 W ensures stable operation even when multiple devices are connected. The model is compatible with

cameras, camcorders, field monitors, and LED lighting, making it a versatile power source for any set.

Fast charging and efficient operation

Support for bidirectional PD fast charging up to 45 W and multiple protocols, such as PD 3.0, QC, and PPS, allows for rapid recharging and powering of various devices. A full charge can take approximately 1.8 hours when using a compatible charger. The efficient battery performance enables longer operation, which is ideal for demanding video shoots and photo sessions.

Safety and clear monitoring

The built-in BMS system protects against overcharging, overheating, short circuits, and power surges, ensuring stable and safe operation. The housing, made of aluminum and fire-resistant material, increases the device's durability. The 1.12" OLED screen allows you to quickly check the charge level and operating status, while the non-slip elements improve overall handling comfort.

Included

- 50 Wh V-Mount battery x1
- User manual x1

Specifications

Manufacturer	Neewer
Model	PS050E
Product type	V-Mount battery
Capacity	3450 mAh
Voltage	14.54 V
Energy	50 Wh

Max PD power 45 W

Charging time Approx. 1.8 hours

Ports	USB-C, USB-A, DC 8V, DC 12V, BP, D-Tap
