Lexar High-Performance Silver Plus microSDXC memory card 128GB + adapter

The 128GB Lexar High-Performance Silver Plus microSDXC memory card is the perfect solution for those who need reliable and fast memory for recording and storing large files. With read speeds of up to 205 MB/s and write speeds of up to 150 MB/s, it enables smooth 4K 60 FPS video recording and lightning-fast data transfer. UHS-I, Class 10, U3 and A2 certifications ensure excellent performance in sports cameras, drones and handheld consoles, as well as in smartphones and tablets, where A2

technology significantly speeds up applications.

Resilience and security in any situation

The Lexar Silver Plus microSDXC is designed to perform in the toughest conditions - it is waterproof (IPX7), resistant to shock, X-rays, magnetic fields and extreme temperatures from -25°C to 85°C. Thanks to its rugged design, it will survive falls from a height of 1.5 meters, making it ideal for travelers and professionals. The included Recovery Tool software allows you to recover accidentally deleted files, and the SD adapter increases the card's compatibility with cameras and laptops.

Included

- micoSDXC card
- SD adapter
