Memory card Lexar GOLD microSDXC 256GB

Model: LMSGOLD256G-BNNNG

Manufacturer: LEXAR

EAN: 843367132409

Product Code: 1420580

R4,017

Memory card Lexar GOLD microSDXC 256GB

The Lexar GOLD microSDXC memory card provides fast and stable performance for bandwidth-hungry devices. With the UHS-II standard, V60 speed class and U3 specification, the A1 accessory allows smooth recording of 4K UHD footage and long Full-HD sequences without the risk of frame loss. It reads data at speeds of up to 280 MB/s for fast file transfers, while writing at up to 180 MB/s ensures efficient handling of large files, such as high-resolution photos. The carrier will prove itself in drones, sports cameras, professional video equipment, as well as in mobile gaming consoles that support the UHS-II standard.
