R2,125

Severin PG 8568 standing grill with grill plate Simple, electric – eBBQ: enjoy grilling indoors and outdoors with the PG 8568 table grill. No matter whether it's spring, summer, autumn or winter – with this eBBQ table grill you can enjoy succulent grilled food on your table all year round! Thanks to the continuous heating coil, the stand grill has an even heat distribution and ensures low smoke and odour development when the grill tray is filled with water, ideal for use directly at the table or outside. Stationary base frame with storage grid. This barbecue grill is the ideal solution for use as a table-top and stand grill. With the stationary base frame with storage grid, the practical table-top barbecue casing becomes a stand barbecue that can be used well on the balcony or in the garden. For use indoors and outdoors. Barbecue fun for indoors and outdoors – Make the most of the versatile stand-up barbecue for preparing delicious, grilled food. In addition to the stainless steel grill grate, the fast heating time and the high temperatures speak in favour of this practical stand-up grill. Thermostat-controlled heating element, to prepare juicy grilled food, it is important to be able to set the ideal temperature. The thermostat-controlled heating element and temperature regulator as well as the full-length heating coil make this easy. Easy assembly. This barbecue impresses with its quick and easy assembly or disassembly and is thus not only quickly ready for use, but also easy to clean. Features plug-and-grill: quick grilling pleasure thanks to short heating-up time – indoors and outdoors no risk of burns on the surfaces, thanks to SafeTouch casing ribbed grill plate for perfect grilling results Easy cleaning thanks to the modular structure and many removable parts
