Seagate Desktop HDD 400GB 3.5" SATA II internal hard drive 7200 RPM 16 MB 3.5" Serial ATA II

Model: ST3400620AS

Manufacturer: SEAGATE

Product Code: 1420947

R880 ~~R1,038~~

The Barracuda 7200.10 is the largest, most reliable disc drive around. New perpendicular recording technology supports vertically stored data bits, enabling increased areal density and dependability for workstations and performance PCs. Additionally, the Barracuda 7200.10 is available in SATA 3Gb/s, SATA 1.5Gb/s and ATA/100 interfaces.

Perpendicular Recording

Perpendicular Recording increases data density while decreasing moving parts for a more dependable drive.

Serial ATA 3Gb/s (300MB/s)

This product is configurable from SATA 1.5Gb/s to SATA 3Gb/s for easy interoperability.

Adaptive Fly Height

Adaptive Fly Height offers consistent read/write performance from the beginning to end of your computing workloads.

Clean Sweep

Clean Sweep automatically calibrates your drive each time you power up.

Directed Offline Scan

Directed Offline Scan runs diagnostics when storage access is not required.

Seagate SoftSonic

Seagate SoftSonic motor enables whisper-quiet operation.

Enhanced G-Force

Enhanced G-Force Protection defends against handling damage.
