

Led Lenser H19R Core Black Headband flashlight

Model: 502124

Manufacturer: LEDLENSER

EAN: 4058205020961

Product Code: 1423057

R3,792

Flashlight: Yes | Light beam distance (min): 80 m | Power cord included: Yes | Battery type: Lithium-Ion (Li-Ion) | Battery level indicator: Yes | Lamps quantity: 2 lamp(s) | Light beam distance (max): 300 m | Charging time: 5.5 h | Technologies used: Charge Indicator | Technologies used: Front Switch | Technologies used: Multi-Core Optics | Technologies used: Transportation Loc | Product colour: Black | Technologies used: Constant Light | Waterproof: Yes | Luminous flux: 3500 lm | Technologies used: Advanced Focus System | Technologies used: Low Battery Warning | Technologies used: Red light | Technologies used: Flex Sealing Technology | Recharge indicator: Yes | Technologies used: Battery Indicator | Magnetic charging connector: Yes | Flashlight type: Headband flashlight | Housing material: Aluminium | Number of power levels: 4 | Power source type: Battery | Battery pack: Yes | Technologies used: Memory Function | Battery life (max): 20 h | Battery capacity: 4800 mAh | Technologies used: Magnetic Charge System | Technologies used: Temperature Control System | Weight: 374 g | International Protection (IP) code: IP68 | Lamp type: LED
