NEW. ALL OVER AGAIN.

A million units equals a million reasons why the QLn Series made its mark in retail history. Now, it's doing it again, as the ZQ600 Series mobile printer.

The ZQ600 Series delivers all the features needed to maximize associate productivity and customer service. Store associates can print everything from shelf labels to item tags, markdown labels and sales receipts, right on the spot. This premium mobile printer takes productivity, ease-of-use and manageability to a new level with a large color display, fast 802.11ac and Bluetooth 4.1 wireless

connections, class-leading battery technology and powerful remote management tools.

PREMIUM WIRELESS FEATURES FOR MAXIMUM PRODUCTIVITY

With support for 802.11ac Wi-Fi and its latest security protocols, the ZQ600 Series offers the fastest, most dependable wireless connection inside the four walls. And the industry's only instant wake-up over Wi-Fi feature delivers instant availability for your workers and maximum power efficiency.

SUPERIOR POWER MANAGEMENT

The ZQ600 Series features the highest battery capacity in its class with a 3250 mAh battery to ensure associates have plenty of power for every shift. The patented Power Smart Print Technology™ ensures the exact amount of power required is delivered for the highest quality printing and PowerPrecision+ technology makes it easy to identify aging batteries before they impact productivity.

ADVANCED PLATFORM GROWS WITH YOUR BUSINESS

The ZQ600 Series is powered by Link-OS, Zebra's robust printer operating system, and Print DNA, a combination of productivity, management, development and visibility tools that results in a superior printing experience. It features robust memory capability to support future firmware upgrades and accessories are backwards compatible with the QLn so you don't have to buy new.
