R17,165

2N® INDOOR VIEW

The main feature of the 2N® Indoor View answering unit is a 7" touchscreen with a wide viewing angle. The tempered glass surface and stylish design are the perfect choice for any luxury residential project. To install the device, all you need is a UTP cable and an installation box for flush or surface mounting. Our custom operating system is your guarantee of reliable operation and simple configuration.

- 7" HD touchscreen
- Lightning fast touch response
- Stylish design
