visionary creator striving for excellence, KING Series is designed to meet and exceed your every tech component desire.

This collection embodies our unyielding commitment to excellence. KING 95, our flagship product, stands as a symbol of our unwavering dedication to quality. With its captivating exterior design and groundbreaking features, KING Series promises to immerse you in a world of tech-driven excitement.

Beyond Flat Screens: The Allure of Curved Glass Experiences

Elevate Your Viewing Experience with Curved Glass Elegance

After a year of rigorous testing, KING 95's Industrial-Grade Curved Tempered Glass boasts optimal curvature and unmatched durability, ensuring crystal-clear component visibility from every angle.

Unleash the Power of Resilience: Unwavering Tempered Glass

Breaking Barriers, Not Glass: The Odyssey of Unwavering Tempered Resilience

The KING 95 case's glass is meticulously crafted from industrial-grade 4mm tempered glass, known for its exceptional strength, durability, scratch resistance, and impact resilience.

Aesthetic ARGB Lighting

Transform your space with mesmerizing Addressable RGB lighting

KING 95 features a seamlessly integrated front panel light strip with a curved design, offering a variety of built-in lighting modes, allowing creation of stunning artistic effects.

Hardware Harmony with Dual Chamber: Exceptional Compatibility

Designed to accommodate the mightiest 40 series graphics cards.

KING 95's dual-chamber is designed to accommodate 8 hard drives, dual power supplies, and flagship 4090 graphics cards. It offers over 35mm of cable management space, optimizing cooling and providing robust hardware support.

Cooling Options Galore: Liquid, Air, and Fan-Friendly

Adaptability Meets Your Choices for Total Comfort

KING 95 offers versatile cooling, supporting a 360mm top radiator, 240mm side radiator (up to 60mm thickness) without any interference, and up to 175mm air cooler height for flexible component customization.

Building Bliss: A Symphony of PC Building

Unprecedented Enjoyment in Building

KING 95 offers quick-release glass panels and a spacious interior for clean cable management, featuring a hassle-free assembly.

Innovation in Every Frame: Our Patented Side Fan Bracket

Unique side fan mounting design for improved airflow

KING 95 introduces a patented adjustable side fan bracket that can be rotated to the front for improved airflow. This design offers versatility for both cooling performance and aesthetics, providing unmatched personalization options.

Fortress of Cleanliness: Defend Your PC with Built-in Filters

Sentinels of Clarty: Defend Your PC with Embedded Filters

KING 95 features easily removable top, side, and bottom panels, each equipped with dedicated dust filters. This meticulous design ensures that your build maintains its polished and uncluttered appearance.

Every Shade Tells a Story: Your Choice of Four

Every Hue, Every Story: Discover Your Fourfold Palette

KING 95 dazzles with four captivating color options, allowing you to transform your build into a true masterpiece. Choose from Gentleman Black, Pure White, Vibrant Red, or Prussian Blue.

Beyond Default: Experience the Pro Edition of King 95!
