Easy & Continuous - High-Speed Printing

Use the dedicated App to send your best moments from an image or video in your Smartphone, and easily print on the spot.

Choose from five different effects in the SQUARE LINK App to create a print with a QR code.

Scan the QR code on the photo with your Smartphone to see the AR content appear!

You can also record your screen and share it on Social Media!

INSTAX Connect

Enjoy a new way to communicate with INSTAX prints that combines photos & chats.
