chassis size while accommodating large components. Thanks to the relocatable PSU bracket, the A3-mATX empowers you to build a powerful and compact PC system tailored to your needs and preferences.

COMPACT DESIGN,MASSIVE POTENTIAL

Dive into the realm of compactness with the A3-mATX, which unlocks the potential of a small form factor PC case.

WELL VENTILATED, MINIMALIST DESIGN

With three sides featuring minimalist mesh panels and a sleek front panel, the A3-mATX combines functionality with style, making it the perfect touch to your setup.

The A3-mATX Wood Edition front panel is made of a sophisticated black walnut trim, make is a perfect balance of style and functionality.

EFFORTLESS MODULARITY, STREAMLINED BUILDS

The toolless removal of all exterior panels and modular brackets provide easier access for installation and cable management. With a removable bottom dust filter, ensuring the system stays clean and efficient.

VERSATILE COMPATIBILITY, ULTIMATE CUSTOMIZATION

Unleash your creativity with the flexible compatibility A3-mATX without compromising on high-performance, large size components.

The A3-mATX case accommodates a maximum CPU cooler height of 165mm and a 4-slot thick GPU with a maximum length of 415mm. Note that with a 25mm thick fan installed at the bottom, the GPU thickness will be limited to 61mm, allowing for only a 3-slot GPU. Additionally, when installing a radiator and fan combo, there will be no space for the GPU.

The anti-sag GPU bracket is included in the box to ensure the perfect alignment of the graphics card.

SPACE MAXIMIZED FOR COOLING

Maximizing the cooling capacity of this 26.3 liter case, 360mm AIO can be mounted to efficiently

cool high-end components.

FLEXIBLE PSU INSTALLATION

Offers multiple mounting slots for a maximum of 220mm ATX/SFX/SFX-L or LIAN LI Edge PSU for ideal PSU placement to best suit your build requirements.

Includes an ATX PSU offset bracket in order to allow longer GPU installation at positions F2 and F2.5

Supports front installation of ATX PSU by mounting it on the SSD bracket using the standoff tool.

The wooden edition open-space design of the front panel allows for optimal airflow, ensuring fresh air intake for the PSU when the PSU is mounted at the front with the fan facing outward, enhancing cooling efficiency.

ADAPTABLE STORAGE SOLUTIONS

Provides 3 drive bays to meet storage needs in a comprehensive build.

REMOVABLE SSD TRAY

Use the same mounting point as the PSU bracket, can relocate as needed. 2 × 2.5” SSD

BOTTOM DRIVE SPACE

Offers a mounting point at the bottom of the chassis. 1 × 2.5” SSD or 1 × 3.5” HDD

SEAMLESS CONNECTIVITY, STYLISH IO

With its front IO featuring essential ports and buttons, along with a sleek and stylish front panel design, the A3-mATX ensures seamless connectivity while showcasing on the desk.

AVAILABLE IN 2 COLORS AND A SPECIAL EDITION

Offering 2 color choices that combine innovative design, flexible cooling solutions, and extensive compatibility options, making it an ideal choice for enthusiasts seeking a compact yet powerful M-ATX case.

A DAN CASES COLLABORATION
