WATER-REPELLENT ECO-FRIENDLY RPET FABRIC

Created with both you and the planet in mind, our eco-friendly RPET fabric transforms discarded plastic bottles into something new instead of letting them pollute our oceans or pile up in landfills. Strong, lightweight, and water-repellent, it keeps your essentials protected from unexpected spills and light rain. By choosing RPET, you're making a sustainable choice without compromising on style or durability. Because sustainability should always look this good!

TWO CAPACIOUS FRONT ZIPPERED POCKET

Double the pockets, double the convenience! The Eden backpack features two front zippered pockets to keep your essentials organized and within reach. The top pocket is roomy enough to fit A4 documents, making it perfect for notebooks, folders, or anything you need on the go. The lower

pocket takes organization to the next level with two extra inner pockets — ideal for stashing your phone, power bank, or any other small must-haves. No more digging around — just grab what you need and keep moving!

TWO SIDE POCKETS

Staying hydrated is key to feeling your best, and the Eden backpack makes it easy with two convenient side pockets designed for your water bottles. Whether you're heading to work, school, or an outdoor adventure, you'll always have quick access to a refreshing drink to keep you energized and focused. And if the forecast looks unpredictable, these pockets are also perfect for stashing an umbrella — so you're prepared for whatever the day throws your way!

CAPACIOUS MAIN COMPARTMENT

With 20 liters of storage, the Eden backpack is built to handle whatever your day throws at you. Whether you're packing clothes for a weekend getaway or loading up with everyday essentials, this spacious main compartment keeps everything neatly organized. It features a dedicated laptop pocket for devices up to 15.6 inches, a separate pocket for an 11" tablet, and a zippered pocket to keep your valuables secure. Designed for explorers, creatives, and go-getters, this backpack gives you the versatility and space to take on any adventure with ease!

ERGONOMIC DESIGN OF THE BACK

Comfort meets smart design with the Eden backpack's ergonomic back panel. Carrying a bag shouldn't mean dealing with discomfort, overheating, or chafing — that's why this backpack features a breathable mesh back, promoting airflow to keep you cool and dry, even on the longest journeys. Whether you're commuting, traveling, or exploring, this thoughtful design ensures maximum comfort, so you can stay focused on where you're headed, not on the weight on your back!

Padded SHOULDER STRAPS and a FULLY ADJUSTABLE STERNUM STRAP

Carrying your gear should feel effortless, and the Eden backpack makes sure of that with comfortable shoulder straps featuring softened bands for extra cushioning. No more sore shoulders — just even weight distribution that keeps you feeling good, even on long days. And for the ultimate in comfort and stability, this backpack comes with a fully adjustable sternum strap. By connecting the shoulder straps, it helps reduce bouncing and improve balance, making it a game-changer whether you're hiking, biking, or just navigating the city. Plus, it slides up and down for a customized

fit and adjusts in length, so you can find the perfect position for your adventure. More comfort, less strain — so you can keep moving with ease!

STRAP MANAGEMENT SYSTEM

Say goodbye to messy, dangling straps getting in your way! The Eden backpack is designed with a smart strap management system to keep everything neat, secure, and hassle-free. Each strap features a special Velcro band at the end, allowing you to roll up any excess length and fix it in place — so no more loose straps getting tangled in doors, bike wheels, or snagging on branches. Whether you're rushing through the city, hopping on your bike, or heading out on a hike, this system keeps your backpack looking sleek and streamlined while also adding an extra layer of safety. Less fuss, more freedom — just roll, secure, and go!

TROLLEY STRAP

Travel just got easier! The Eden backpack is designed with a handy trolley strap, so you can effortlessly slide it onto your suitcase handle and give your shoulders a much-needed break. Whether you’re navigating a crowded airport, rushing through a train station, or strolling through a new city, this feature ensures smooth, stress-free travel. No more awkwardly juggling bags while trying to grab your passport, check your phone, or hold your coffee. With your backpack securely attached to your luggage, you’ll have one less thing to worry about — keeping your hands free and your journey effortless. Just clip it on, roll through, and focus on the adventure ahead!

SPECIALLY DESIGNED ZIPPERS and PULLERS

The Eden backpack is designed with specially crafted concealed zippers and pullers, giving it a sleek, modern look while ensuring smooth and secure access to your essentials. These hidden zippers aren’t just about aesthetics — they add an extra layer of protection, keeping the elements discreetly tucked away behind the fabric. Whether you're grabbing your essentials on the move or securing your valuables, these high-quality zippers are built to glide open effortlessly, so you can access your belongings without any fuss. Plus, their streamlined design reduces the risk of snags and wear, keeping your backpack looking as good as new for longer. It’s all about combining security, style, and convenience — so every journey is as smooth as possible!
