Meets Simplistic Minimalist Design

Finally, a Micro-ATX with Great Cooling

The AIR 100 series is the first Micro-ATX case from Montech's acclaimed AIR Series PC cases. Its smaller footprint makes easy to carry and takes much less space.

Despite its smaller form factor the AIR 100 cuts no corners to achieve the best cooling capacity capable. Expandability and anti-dust features also adhere to Montech's AIR Series standard. Combining this all with a clean minimalist design, the AIR 100 provides PC users a smooth and classy but also high performance build experience.

Dust Resistant & Airflow Optimized Front Panel

The Super Fine Mesh Face Plate not only provides unobstructed cool airflow into the case, it also acts as an anti-dust cover. With its smart quick release design, removing the Super Fine Mesh for cleaning is simple and tool free.

Ultra-Minimalist Design

The cleverly designed top cover design and the Super Fine Mesh Face Plate molds into one unified clean minimalist style language.

ARGB Lighting Show Right Out of The Box

Four pre-installed 120mm ARGB fans are connected by the included lighting controller, that can be easily controlled by the LED button on the case or managed through motherboard ARGB software.

More Convenient & More Safe

The unique Side Swivel Tempered Glass Side Panel design is not only easier for users to unmount, its zero drill-hole design drastically improves the panel's strength integrity and safety.

Enjoy building your PC

Although a class smaller in volume, nothing is sacrificed in terms of expandability. The AIR 100 ARGB supports GPU cards up to 330mm, 160mm PSUs and tower heatsinks up to 161mm. 280mm radiators can be mounted at the front, while at the top there's space for 240mm radiators. The AIR 100 Lite is expansion capable for years to come.

Smart Cable Management

With cable management in-mind, the AIR 100 ARGB has strategically pre-installed cable loops and Velcro straps. This makes building your system with good clean cable management a breeze.

Easy Accessible I/O Ports

Two high-speed USB 3.0, a USB 2.0 and the HD Audio ports are all located on the top of the case for easy accessibility

- Super Fine Mesh Face Plate
- Enhanced Thermal Performance
- Meets Simplistic Minimalist Design
- Four ARGB Fans and Controller Pre-Installed
- Side Swivel Tempered Glass Side Panel
- Expansion Capable

Summary: Montech Air 100 ARGB. Form factor: Mini Tower, Type: PC, Product colour: White. Power supply location: Bottom, Supported power supply form factors: ATX. Front fans installed: 3x 120 mm, Front fans diameters supported: 120,140 mm, Rear fans installed: 1x 120 mm. Supported HDD sizes: 3.5", SSD form factor: 2.5". Width: 210 mm, Depth: 405 mm, Height: 425 mm | Vendor Homepage: https://www.montechpc.com/en/products_detail.php?nid=224&s_ok2= | Type: PC | Form factor: Mini Tower | Product colour: White | Supported motherboard form factors: micro ATX/Micro-ITX | Number of 3.5" bays: 2 | Number of 2.5" bays: 2 | Number of expansion slots: 4 | Side window: Yes | Suitable for: Gaming | Illumination: Yes | Illumination colour: Blue/Green/Red | Illumination location: Case fans | Tempered glass panel(s): Yes | Anti-dust filter: Yes | Cable management: Yes | On/off button: Yes | Reset button: Yes | RGB control button: Yes | Maximum CPU cooler height: 161 | Maximum graphics
