The symmetrical shape provides a comfortable grip and natural hand placement, ensuring effortless control and reduced fatigue for all grip styles during intense sessions.

PERFECT PRECISION

Equipped with the high-performance PAW3311 optical sensor with up to 12,000DPI, this mouse delivers a perfect balance of pinpoint accuracy and ultra-low power consumption for consistent, top-tier performance.

Instant DPI Switching

Cycle through six DPI presets—800, 1600, 2400, 3200, 6400, and 12000—for precise control in any scenario.

LIGHTWEIGHT

This ultra-lightweight mouse is designed for quick, precise movements with minimal effort, reducing fatigue during extended gaming sessions or long work hours for a comfortable experience.

VERSATILE TRI-MODE

CONNECTIVITY

Experience total freedom with three connection modes. Seamlessly switch between settings to perfectly match your gaming, office, or travel environment.
