

I/O HUB USB3.1 4PORT/TS- HUB2C TRANSCEND

Model: TS-HUB2C

Manufacturer: TRANSCEND

EAN: 760557843818

Product Code: 1425318

R882

Ideal for use with computers, laptops, and Android mobile devices featuring USB Type-C ports and with iPad Pro 2018, Transcend's HUB2C transforms a single USB Type-C port into four Type-A ones, instantly expanding the number of devices you can connect to your Type-C gadget at the same time. Connect accessories such as USB flash drives, keyboards, or mice to your tablet, or USB flash drives to your Android smartphone, and enjoy instant plug-and-play fun!

Reversible USB Type-C connector

Transcend's 4-port HUB2C comes with a reversible USB Type-C connector for greater ease of use. It is ideal for use with new laptops, Android smartphones and tablets featuring a USB Type-C port and with iPad Pro 2018*.

*To view image or video files on your iPad Pro 2018, name each file based on the DCF (Design rule for Camera File system) standard.

Transforms a single port into four

Ever wondered what to do with your Type-A products once you've gotten your hands on that new USB-C mobile device or laptop? Or, do you find the number of Type-C ports insufficient for all your devices? Equipped with the USB 3.1 Gen 1 interface, Transcend's HUB2C transforms a single Type-C port into four Type-A ones, instantly expanding the number of devices that you can connect to your device at one time.

An accessory to connect your life

Transcend's HUB2C allows you to connect accessories such as USB flash drives, keyboards, or mice to your tablet, or USB flash drives to your Android smartphone. Enjoy instant plug-and-play fun now!

Ultra slim and portable design

The HUB2C is so small and compact that you can carry it around easily without adding any extra burden, ideal for business and for leisure.

- Reversible USB Type-C connector for greater ease of use
- USB 3.1 Gen 1 interface for transfer rates of up to 5Gbit/s, 10x faster than USB 2.0
- Transfer seamlessly between old and new devices
- Connect up to 4 Type-A devices at the same time
- Slim and portable design
