
Lindy 3m Cat.6 U/UTP Flat Network Cable, Grey

Model: 47493

Manufacturer: LINDY

EAN: 4002888474931

Product Code: 1425691

R646

Cat.6 U/UTP flat network cable with support for bandwidth up to 250MHz and features a snagless design with gold plated contacts for ethernet standards up to 1GBase-T.

Cat.6 cable for operating frequencies up to 250MHz. The unshielded version (U/UTP) can be used for Gigabit Ethernet thanks to the special design of the electrophysical parameter (NExT, FExT, etc.) despite the lack of shielding. Designed as flat ribbon cable for use in environments with restricted or limited installation space. These cables are manufactured and tested according to the ISO/IEC 11801 specification. The cables are packaged individually in a polybag.

The gold-plated contacts ensure reliable, corrosion-free connections over extensive periods of time.

A robust snagless strain relief design prevents damage to the connector latch during installation and removal.

The very fleixible and thin ribbon cable construction allows the cables to be installed in restricted or limited spaces.

Available lengths: 0.3m, 1m, 2m, 3m, 5m, 10m.

Available colours: Black, Grey, White, Red.
