Designed for professionals who value precision, comfort and efficiency, the ProLite XB2495WSC-B1 combines extra vertical screen space, accurate colour reproduction and convenient USB-C connectivity. It is well suited to CAD, data analysis, education and corporate environments. The 24-inch IPS panel features a 16:10 aspect ratio and WUXGA resolution of 1920 x 1200, displaying more content vertically than a standard Full HD screen. This means less scrolling when working with drawings, spreadsheets and documents, while wide viewing angles ensure clear, consistent visuals. USB-C enables video transmission and charges a compatible laptop with up to 65W Power Delivery through a single cable, simplifying setup and reducing clutter. The 15cm height-adjustable stand
