

Dreame Detangling DuoBrush Compatible with X60 Series

Model: RMB15

Manufacturer: DREAME

EAN: 6979181921418

Product Code: 1426327

R1,565

Detangling DuoBrush2.0 is engineered for powerful, tangle-free cleaning across every surface in your home.

- The bristled rubber brush maintains close contact with hard floors to sweep up fine dust and dirt hidden between tiles and along edges. On carpets, the TPU rubber brush easily lifts debris from both long- and short-pile surfaces, loosening embedded dirt for a deeper clean.
- Tangle-free, as always, our advanced anti-tangle system pairs thicker rubber strips with a counter-rotating DuoBrush that actively lifts, separates, and gathers hair. Strong suction then pulls it straight into the dust box—preventing hair wrap and reducing maintenance.
- Now equipped with a retractable pressure chamber, the upgraded DuoBrush increases surface agitation to capture even more dust, debris, and hair from carpets and hard floors—while maintaining 100% detangling efficiency.
