Unique OneBlade Technology

The Philips OneBlade is a revolutionary new hybrid styler that can trim, shave and create clean lines and edges, on any length of hair. Its dual protection system – a glide coating combined with rounded tips – makes shaving easier and comfortable. Its shaving technology features a fast-moving cutter that moves up to 12000x per minute, which powers through any length of hair.

Fits with all OneBlade models except for QP15XX

Fits with OneBlade (QP25xx), OneBlade (QP26xx), OneBlade Pro (QP65xx), OneBlade Pro (QP66xx)

Blade that doesn't become blunt easily

Durable stainless steel blade that lasts up to 4 months of use to keep that fresh feel.

Innovative 360 Blade

Moves in all directions to maintain constant skin contact while ensuring control at all times, even for the most difficult-to-reach areas.

Style with fewer strokes

And more comfort compared to the Original blade (QP210).

Dual-sided blade

Create precise edges & sharp lines with the dual-sided blade. Cuts both up and down. Get the perfect lines in seconds with the dual-sided blade, enabling you to see every hair you're cutting.

Wear out status

An eject icon will appear on the blade when the blade is worn out.

Wet and dry
