

Lindy 3m Gold HDMI cable HDMI Type A (Standard) Blue

Model: 37413

Manufacturer: LINDY

EAN: 4002888374132

Product Code: 1427491

R1,138

Advanced, high speed cable for the next generation of HDMI devices!

Our new Premium Gold High Speed HDMI cable features cutting edge design and construction to provide the highest quality, most reliable high speed HDTV connection available. This 'future proof' cable is fully certified by the HDMI Authorised Test Centre for High Speed compliance which means it will support all currently available HDMI equipped devices at resolutions of up to an amazing 2160p and even higher.

The triple shielded, low attenuation cable provides superb clarity, definition and detail, even over longer transmission distances, whilst the 24K gold plated connectors allow for excellent, consistent signal transfer.
