Lindy VGA Splitter Cable, 2 Way

Model: 41214

Manufacturer: LINDY

EAN: 4002888412148

Product Code: 1427501

R992

Allows two VGA monitors to be connected to a single VGA output
VGA Male to 2 x VGA Female
Designed for short range desktop installations of up to 10m; for longer distances we recommend you use our
Gold plated connectors
Cable length: 18cm

This splitter cable allows two monitors to be connected to a computer's single VGA port. It's a passive cable which simply splits a single VGA signal into two without any amplification or signal regeneration, making it an ideal, cost effective solution for shorter installations.
