

StarTech.com HDMI to DisplayPort Adapter - 4K 30Hz

Model: HD2DP

Manufacturer: STARTECH

EAN: 065030861588

Product Code: 1428388

R1,817

Connect your HDMI enabled Ultrabook or laptop to a DP monitor using this compact, USB-powered adapter

This HDMI® to DisplayPort adapter lets you connect an HDMI video source, such as your laptop, desktop, Blu-ray™ player, or camera, to a DisplayPort monitor or projector.

Be more productive

The active HDMI to DisplayPort adapter offers plug-and-play installation, providing a hassle-free setup with no software or drivers to install. The adapter uses a USB port for power, avoiding the need for an extra power adapter. It also features a compact design that requires very little space at your workstation.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The HDMI to DP adapter lets you add a second monitor to your laptop, providing the additional screen space you need to multitask more efficiently and accomplish more in the same amount of time. It offers a definite productivity boost, and lets you view documents, spreadsheets, and web pages across multiple screens.

Enjoy Ultra HD picture quality

With support for 4K at 30Hz, you get a sharp, crisp picture that's richer and more true-to-life than traditional HD, with far greater detail. The adapter delivers Ultra HD content to your DisplayPort monitor and supports 7.1 channel surround audio.

The adapter is backward compatible with 1080p displays, which makes it a great accessory for home, office or other workspace applications.

The HD2DP is backed by a StarTech.com 2-year warranty and free lifetime technical support.
