3M™ Corded Ear Plugs with storage box 1271 are our pre-moulded ear plugs featuring a tri-flange design. Supplied with a belt clip storage case and available with a cord to prevent loss, they reduce noise levels by up to 25 dB.

For hearing protection with long lasting comfort and easy insertion, use 3M™ Corded Ear Plugs with storage box 1271. Fully reusable. Our pre-moulded earplugs feature a tri-flange design that requires no roll down and helps keep the earplug in place, ensuring safe and secure protection from intermittent or continuous noise in the range of 87-98 dB. Supplied with a belt clip storage case that helps keep plugs convenient, clean and protected in between use, they’re corded to keep them handy at all times and prevent loss. A special finger grip is designed for easier insertion. Reusable and washable, they’re moisture resistant, making them ideal for wear in hot and humid conditions.
