It goes without saying: this cutlery set is intended for large gatherings. This twelve person set consists of table forks, table knives and spoons, as well as cake forks and coffee spoons: Needless to say, the set is available in various WMF designs and complementary items can be added. Thanks to its superior quality it will be an equally attractive and lasting companion.

Philadelphia is a range of cutlery with a timeless beauty. Its simplicity and unobtrusive elegance are delightful. The more attention you pay to the cutlery, the more attractive it becomes. Philadelphia is not boring, but rather it gradually reveals itself. The slender shape is a feature running all the way through – right to the knife blade. Despite this slenderness, Philadelphia has a pleasant soft feel in your hand.
