Model: 90XB01DN-BBA010

Manufacturer: ASUS

EAN: 4718017800310

Product Code: 1431445

R1,603

ASUS EOS 2 Carry Bag is perfect for your 15.6 inch laptop, tablet and accessories. Named after the Greek goddess of dawn, EOS 2 Carry Bag is durable and versatile, and it can double as a shoulder bag that effectively protects your valuables from the elements.
There's also an external zipper pocket to keep your phone and other essentials within reach.

ASUS EOS 2 Carry Bag delivers a sense of style with its two-tone design, available in Black and Dark Gray, or Oat and Light Gray. Made of yarn and scratch-resistant and water-repellent 600D polyester, it's fashionable and yet durable enough for everyday use.
At just 0.48 kilograms, it's lightweight, too.

Inside, there's room for up to a 15.6-inch laptop, along with dedicated pockets for your phone, power bank, and pens.

There's also a mesh pocket where you can store your documents or smaller accessories.

ASUS Collection: Design is in the Details

As part of the asus collection, ASUS EOS 2 Carry Bag exudes a touch of elegance.
With exquisite details, including a woven ASUS Collection label and precision-cut zippers,
EOS 2 lets you show off your sense of style while keeping your valuables organized and safe.

Carry, Your Way

Carry it by the soft-touch nylon handle, or sling it across your shoulder with the adjustable padded strap.
ASUS EOS 2 Carry Bag even has a convenient built-in luggage strap.
