

Bosch Circ 18V-53 16 cm Black, Green 4300 RPM

Model: 06033B1400

Manufacturer: BOSCH

EAN: 4053423234572

Product Code: 1431815

R2,914

Precise, powerful, and high-capacity saw for decking, countertops, and multiple woodwork projects

The cordless UniversalCirc 18V-53 is the best-in-class circular saw for a wide range of DIY woodworking jobs. It has a cutting depth of 53 mm for precise cutting of wood, chipboard, and other wood-based materials. A high-quality 160 mm saw blade with 24 carbide-tipped teeth and a robust aluminium upper guard ensure accurate and powerful cutting. Home woodworkers will be impressed by the extensive cutting capacity of 33 m in 19 mm chipboard per battery charge (2.5 Ah). This tool is compatible with the Bosch Home & Garden guide rail system, ensuring optimal precision, especially for long cuts. And for a clean workspace, a vacuum cleaner can be connected to collect more than 90 % of the dust. The tool belongs to the 18V POWER FOR ALL system. One battery can be used in all 18V POWER FOR ALL tools.

Precise and stable sawing for multiple DIY woodworking jobs

- Long, straight cuts for terrace decking

- Accurate cuts for worktops
- Install bespoke wooden doors
- Easy sawing of bevel cuts
- Perfect for building chipboard shelves

POWER FOR ALL cordless systems from Bosch

Whether drilling, cleaning or gardening. Switch quickly and easily between different devices with the 18 V POWER FOR ALL battery from Bosch. For even more flexibility the battery fits also in tools of other POWER FOR ALL battery alliance partner.

Premium, clean-cutting premium blade

Stable cutting tracks and clean saw cuts are facilitated by the premium 160 mm Optiline saw blade with 24 carbide-tipped teeth.

Easy guiding for long cuts

For accurate long cuts and easy saw guiding, the Bosch Home & Garden guide rail system is compatible with the circular saw and provides convenient support. It can be extended in length in steps up to 35 cm.

Stable sawing and longer tool life

For steady sawing, the high-quality aluminium upper guard facilitates stable guidance while its robust design enhances tool lifetime.

Rotatable dust extraction adapter

More than 90 % less dust while working thanks to the rotatable dust extraction adapter for quick vacuum cleaner connection.

Trace and follow drawn lines with ease
