Design for OLED TVs

Innovatively designed: the design of the wall bracket is coordinated with the VESA standard of OLED TVs so that the adapter plate fits flush with the housing

Ultra-flat profile for small wall distances at 2.3 cm

Aesthetic and agile: with the small wall distance of 2.3 cm, the TV bracket and its ultra-flat profile blends in unobtrusively with the living space, ensuring full mobility in all directions

Fully mobile TV bracket

For the perfect viewing angle: this TV bracket adapts to your individual needs, whether they be for swivel, tilt or pull-out. This is how home entertainment works

Up to 90" and 50 kg

Extremely strong: stable construction with dual arm allows the secure attachment of TV sets with a weight of up to 50 kg and a screen diagonal of up to 90"

Integrated cable management

For a tidy living environment: Cable management guides the cables tidily behind the TV set, avoiding cable spaghetti and saving space. The cable guide also protects the cable against breakage thanks to strain relief

Drilling template for marking the drill holes

The drilling template means easy marking of the drill holes without having to hold the bracket up against the wall

Includes mounting material

Everything included: with the diverse mounting accessories, including high-quality Fischer plugs, you can get started straight away
