R1,431

Mmmmh... Bubble waffles - pure enjoyment with WAFFLEMAKER Bobby!

Can't you smell the wonderful smell of freshly baked waffles coming from the kitchen? Surprise friends and family with the typical bubble waffles that you know from fairs! Thanks to 700 W power, high-quality non-stick coating and automatic temperature control, WAFFLEMAKER Bobby always gives you the desired degree of browning - crispy on the outside, fluffy on the inside! The waffle iron can also be turned 180° - the batter is evenly distributed and the waffles look delicious when baked with the perfect honeycomb structure. Roll the bubble waffles up like an ice cream cone - they stay in this shape after cooling and can be filled with savoury or sweet things, and you've got the perfect waffle treat!

Ideal for any party, for breakfast, as a snack between meals or as a delicious dessert. Your Bobby waffle maker ensures the best baking results, whenever you feel like it!
