Maximize ergonomy and workspace with this desktop monitor riser

Create an ergonomic setup with this sturdy monitor riser stand. Lift a display closer to eye level for comfortable viewing while improving desk space and organization.

Optimize Desk Space

Fixed-height riser (3.5in - 90.5mm) accommodates desktop monitors or laptops up to 33lb (15kg). Free up desk space and conveniently store keyboard, mouse, or accessories underneath when unused. The total usable area is 7.3x21in (186x534mm).

Slip Protection & Stability

Non-skid pads at the bottom provide stability and protect the desk surface. The overall dimensions are 21.4x8.6.3.5in (544.6x220x90.5mm).

Simple Assembly

Quickly assemble and deploy with only three main components. The platform is constructed of durable steel for strength and durability.
