Enough power? Of course! The external rechargeable battery with quick-charging function and power for three devices charges your mobile phone and others very quickly. Especially practical: the LED display shows exactly how much charging capacity the power pack has left.

Power Pack - Energy to go

Power bank ensures a boost of energy while on the move; the mobile charger can charge three devices simultaneously

Extremely fast charging

Fast charging technologies Power Delivery and Qualcomm® Quick Charge™ 3.0 guarantee extra-quick charging, faster than with conventional chargers

Battery-sparing charging

Optimised charging protects the battery and therefore prolongs the lifespan of mobile phones, tablets, etc.

Safe charging

Certified cells for maximum quality and safe charging: overcharge, overvoltage, overheating and short circuit protection

Compact and lightweight construction

Small and lightweight: the mobile charger fits in any pocket and hand luggage

Powerbank with display

At a glance: The handy display on the fast-charge powerbank shows how much energy is still available in the mobile charger

Universal use

Maximum compatibility for all mobile phones, tablets and other devices, e.g. smart watch, digital camera or Bluetooth headphones

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
