The ESGE-Zauberstab® M 160 Gourmet comes with a lot of accessories that show their strengths in everyday kitchen life! In addition to the multi-blade and beater, the all-round carefree package includes a 600 ml mixing cup with lid, practical wall bracket, chopper, the large ESGE cookbook and magic book and the operating instructions with further recipes. A classic that no kitchen should be without!

The ESGE-Zauberstab® M 160 Gourmet is operated using the soft-touch membrane switch that is integrated into the ergonomic handle design. The durable and robust AC motor "Made in Switzerland" makes it easy to puree, chop and mix. The multi-blade and beater can be inserted very easily using the plug-on centering device. If the chopper is used for grinding nuts, chocolate etc., the ESGE-Zauberstab® M 160 Gourmet is simply attached and the job is done in seconds!

The multi-talented power pack with a 5-year guarantee achieves 11,000 or 15,000 revolutions per
