R1,025

InLine® S-VGA monitor cable with double shielding for video signal transmission. Constructed with 3 single-shielded coaxial lines (RGB) and 7 data lines this cable is fitted with 15-pin SVGA connectors with 1:1 connections (without PIN 9) while the blue colouring of the connectors, as per PC99 standard, ensures easy identification of the correct port to which the SVGA monitor cable should be connected.
