Product Code: 1436017

R605

Convert your DB9 female connector into an RJ45 female connector

The GC98MF Modular Adapter features a DB9 male connector and an RJ45 female connector. Used for modular RS232, RS422 and RS485 connections, the adapter converts your DB9 female connection into an RJ45 female connection. The adapter allows for custom serial pin out configurations.

The DB9M/RJ45F adapter is backed by lifetime warranty, guaranteeing long-lasting durability.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
