R4,160

Extremely compact and lightweight 10.8 volt professional cordless jigsaw

- Extremely compact, lightweight cordless jigsaws for perfect handling and curve tolerance
- Grip position is exceptionally close to the cutting line, thus allowing especially precise cutting
- Slim grip circumference for convenient, low-fatigue work
- Outstanding view of the cutting line thanks to bright LED that can be switched on and off
- Electronic Motor Protection (EMP) protects the motor against overload and ensures a long lifetime
- 3-stage pendulum action for tear-free cuts
- High performance: fast sawing progress and long battery runtime with 2.0 Ah battery
- Optimised design for comfortable sawing from below
- Robust aluminium base plate with plastic sole for better glide properties and to protect sensitive surfaces
- Bosch Electronic Cell Protection (ECP): protects the battery against overload, overheating and deep discharge
- Ergonomic barrel grip with large softgrip coverings for comfortable work
