Help protect your HP Elite x2’s onscreen data from prying eyes with the HP Elite x2 Privacy Screen, which also supports your interactive touchscreen features.

Features

Retain onscreen visual clarity and touchscreen interactivity with a privacy filter that prevents passersby from sneaking a peek at your work by blocking peripheral views of the screen.
Get the added durability of a filter that resists scratches, fingerprints, and smudges.
Use the included adhesive strips to place on your HP Elite x2’s screen, and reuse as needed.
Experience a precise fit with a round-edged screen that doesn’t interrupt access to your camera, speakers or inputs.
Rest easy with a one-year parts limited warranty.
Compatible with the HP Elite x2 1012 G1.
