

3M 6057 Gas & vapor cartridge 64 pc(s)

Model: 6057

Manufacturer: 3M

EAN: 4046719695881

Product Code: 1437228

R2,085

3M™ Bayonet Gas & Vapour Filters have a bayonet-style connection that fits any half or full facepiece 3M™ Bayonet Reusable Respirators and they're designed to optimise your field of vision. These filters offer lightweight and well-balanced breathing protection for a wide range of hazardous environments.

For ABE1 breathing protection against organic vapours (boiling point above 65 °C), inorganic vapours and acid gases, use 3M™ Gas and Vapour Filters, 6057. Our filters have a brown, grey and yellow band that's colour-coded according to the EN14387 classification system to show the type of protection they provide.

These lightweight filters combine protection with comfort, and they're compatible with our range of reusable half and full-facepiece for safe working in hazardous environments. They offer low breathing resistance and good balance when connected to your facepiece, and they're designed to optimise your field of vision.
