Model: 2805

Manufacturer: HP INC

EAN: 4030152028054

Product Code: 1438544

R5,108

The HP OneShred 18CC is a reliable paper shredder with a cutting capacity of 18 A4 sheets at a time and is a quintessential feature of any open-plan office. This modern document shredder on castors features the high security level P-4 and shreds your sensitive data in particle cut into 4 mm x 35 mm clippings. Proper shredding of payroll or tax documents, which are considered personal documents, is thus guaranteed in accordance with data protection regulations. If the HP OneShred 18CC is not used for more than 30 minutes, it automatically switches to sleep mode and power consumption is reduced to less than 0.5 watts. The powerful office shredder requires a comparatively short cooling time of 20 minutes after continuous use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
