The exterior protects from the dust, dirt and spills, while the non-scratch interior lining helps keep your laptop clear of scuffs and scratches. Slim and sleek and made to fit most 11-12” laptops, this sleeve is great for school or working at the closest café, having the flexibility you want and the protection you need.

The Bottle: Reborn

This bag was designed with the environment in mind. By using GRS-certified recycled materials, 7 plastic bottles were kept out of our waterways and landfills, shredded into small flakes, re-polymerised into plastic chips, then heated and spun into yarn that was woven, and sewn into the fabric of this EcoSmart bag.
