Hama 360° Glass mobile phone case 15.5 cm (6.1") Cover Black, Transparent

Model: 00217008

Manufacturer: BLACK ROCK

EAN: 4260647334005

Product Code: 1439202

R1,301

The cover offers all-round protection and effectively protects your phone without changing the appearance of the device. Wireless charging is still possible without restrictions (Qi) despite the mobile phone cover. The transparent cover fits perfectly to your phone and encloses the edge of your display with millimeter precision. No tilting when the case is put together thanks to a simple magnetic closure with an interference protection signal.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
