R1,328

We offer an outstanding portfolio of smartphone accessories, designed to meet your protection and design needs. We combine high-quality materials with shock-absorbing materials from Covestro, one of the world's leading manufacturers of high-tech polymer materials.

Our engineers and designers have created a first-class case for you. We are especially proud of the mobile phone cases of the Robust Series. You have the possibility to choose between four different high-quality materials. Available are the Real Carbon, Real Leather Camouflage, Robust Case Real Wood, Transparent as well as the Robust Wallet. Make your choice!

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
