

ACT USB adapter cable to 2.5" SATA HDD/SSD

Model: AC1510

Manufacturer: ACT

EAN: 8716065489712

Product Code: 1439527

R1,051

The easiest way to upgrade the internal hard drive of your laptop is by adding an external SSD or HDD. Connect a 2.5 inch SATA hard disk drive or solid state drive to your laptop with the AC1510 USB 3.2 Gen1 to SATA Adapter Cable. Swapping hard drives never was so easy. Besides, you don't have to mount the hard drive into an enclosure first.

AC1510 USB 3.2 Gen1 to SATA Adapter Cable supports UASP (USB Attached SCSI-Protocol) which ensures a high data transfer. The Adapter Cable is USB powered so no external power supply is needed. The AC1510 is ideal for data migration, drive cloning and data backup applications.

The AC1510 USB 3.2 Gen1 to SATA Adapter Cable is backwards compatible with USB 3.0, USB 2.0 and USB 1.1.
