ACT USB hub 3.0 4 port USB-A

Model: AC6300

Manufacturer: ACT

EAN: 8716065490985

Product Code: 1439536

R1,137

Do you need extra USB ports for your laptop or computer? The AC6300 Hub offers four extra USB ports. AC6300 supports up to 4 USB devices and is compatible with the USB 3.2 standard that offers high speed transfer rates up to 5Gbps. This light-weight hub has a blue LED activity indicator and a 50 cm cable.

Add additional USB ports to your laptop

The ACT AC6300 USB Hub has a light-weight design and fits easily into your bag. The hub offers four additional USB ports with high transfer speed to your laptop or computer.

SuperSpeed USB 3.2 Gen1 (USB 3.0)

The ACT AC6300 Hub complies with the USB 3.0 standard. This standard enables data transfer speeds up to 5Gbit/s (up to 10x faster than USB 2.0). Connect the AC6300 to your computer with the attached 50 cm high quality USB 3.0 cable. The AC6300 4 port Hub is backwards compatible with USB 2.0 and USB 1.1.
