

ICY BOX IB-525-U3 ODD enclosure 13.3 cm (5.25") SATA III Black

Model: IB-525-U3

Manufacturer: ICY BOX

EAN: 4250078172888

Product Code: 1439629

R1,780

The IB-525-U3 is an external enclosure for 5.25" SATA drives or hard drive mobile racks. Whether you want to use a DVD, Blu-ray™ or an old CD drive, these devices will find a new home in this sleek, black aluminium enclosure. Even internal mobile racks can now be used externally. With USB 3.2 Gen 1, a data transfer rate of up to 5 Gbit/s is available, which can be established via a USB Type-C® or Type-A connection to the host computer.

For standard DVD or Blu-ray™ drives

You still have a drive available from your old desktop PC? Or a standard DVD or Blu-ray™ drive? That's great, because you can now simply use them externally by inserting the drive into the IB-525-U3. The ICY BOX enclosure is suitable for all 5.25" SATA drives.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Flexible use

Not only standard DVD or Blu-ray™ drives can now be used externally with the IB-525-U3, but the functional case can also be used to accommodate mobile racks in 5.25" format. This means that one or the other piece of hardware can be brought back to life.

High-quality aluminium

The enclosure is made of high-quality aluminium and is therefore robust and particularly durable. The simple, black design integrates well into the IT periphery of most workplaces.
